On a Pond

by Bai Juyi (Tang Dynasty)

A small boat a kid poled,
White lotus for home he stole.
How to hide the trace he didn't know,
A path between duckweeds made by his
boat.

Hen's Song

by Rose Fyleman

Chick, chick, come out of your shell.
I've warmed you long, and I've warmed you well;
The sun is hot and the sky is blue
Quick, chick, it's time you came through.
